# Global Health Liaisons

## SUPPORTIVE

*"I very much valued and benefited from your advice and guidance especially in addressing procedural issues which are not always easy. JCRC has a lot to thank you for and many of our staff are in employment and advancing in their careers because of the projects that you helped us win or supported us to sustain."*

*Peter Mugenyi - Director Joint Clinical Research Centre – Uganda*

## RESPONSIVE

*"We were on a tight time schedule and trying to find a company that could complete the branding of documents for an important [high profile] USAID project. Global Health Liaisons was able to quickly step in to do the job and were very effective. They communicated well with our project lead and provided added value with their suggestions and inputs. GHL improved the quality of our results and met our client's needs."*

*Peter Ahern, President, Axios International, Inc. Cleveland, Ohio*

## DEDICATED

*We have worked with Global Health Liaisons since their inception. They always have dedicated teams that have a way of applying scientific rigor to community outreach. They have evaluated numerous of our projects and we will continue to use GHL and highly recommend them for public health and micro health insurance project evaluation.*

*Manasseh Tumuhimbise, PhD – Ishaka Health Plan Board Member, faculty at Mbarara University*

## COMPREHENSIVE

*"GHL got more information in a week [from a Needs Assessment] than we were able to obtain over the past two years."*

*Mary Francis LeMat, Methodist Mission Leader, Haiti Project*

## INNOVATIVE

*"This [evaluation findings] is Brilliant!"*

*Monitoring and Evaluation Officer at UNICEF Uganda*
